

SERVICE MISSION OPPORTUNITY

Attention Area Pastors, Youth Pastors, & Auxiliary Group Leaders:

Looking for a mission trip for your church men's, women's, or youth group? Looking to stay local to the Tupelo, MS area? Love Morganwood Youth Camp? What if we told you that your ministry could adopt a project or multiple projects to help us prepare for the upcoming camp season. These are jobs volunteers can do without professional skill levels.

1. Visit Morganwoodcamp.org
2. [Click on "Get Involved" and look for the Adopt a Project list.](#)
3. Contact Bro. Dennis Kizzire (662-213-0231) or one of your local board members to coordinate. Necessary Materials will be purchased by the camp prior to your group's arrival.
4. Check back regularly as the list will be updated periodically.

#mycamp#mymission

Projects Ministries and Groups Can Adopt:

- 1. Deep Cleaning of The Atwell Building (Ideally in May)**
(Includes Dusting, Vacuuming, Sweeping, & Mopping Floors.
Cleaning and organizing classrooms. Removing Broken Chairs. Fully Cleaning & Stocking Bathrooms.)
- 2. Deep Cleaning of the Camp House (Ideally in May)**
(Similar to Main Building. – Will need to be done after repairs are completed)
- 3. Pressure Wash and Stain all Fences (Any time before Camp)**
(Includes Camp House Deck, Pines Sign, Sidewalk fences, Pool Privacy Fence).
- 4. Repair, Pressure Wash, and Stain Atwell Deck (Any time before Camp)**
(Some Boards will need to be replaced.)
- 5. Clean Pavilion Area, Picnic Tables, Repair and Organize Pavilion Game Tables**
(May include pressure washing, removing pine straw, clean and organize the game equipment room, minor repairs on recreational equipment, possibly repaint the foursquare game).
- 6. Inspect and Repair Human Foosball and Other Outdoor Recreational Equipment**
(Netting is weathered, some of the bars have been bent. Look over the Ark Playset, and 9 Square Game, etc. to ensure they are ready for the season.)
- 7. Prepare the Campfire Area for the Season**
(Clear Trail and Congregational area of leaves, Repair Benches, Spray Herbicide/Pesticides, repair/report danger areas).
- 8. Pressure Wash Exterior of All Buildings**
- 9. Small Grounds Projects**
(Spraying Herbicide, Treating for Fire Ants, Filling in Holes)
- 10. Large Grounds Projects**
(Bush-hogging/Bulldozing areas over grown by unwanted brush).
- 11. Exterior Painting of the Camp House**
- 12. Counter Trimming and Dry Wall Repair In Dorms**
(There is a hole or two in the wall of the Boys Dorm that needs repaired and a handicap accessible sink that needs some cosmetic repair.)
- 13. Interior Painting in Both Dorms**
(This one will have to wait until Late Summer or even Fall after our camps and rental camps are finished but we are putting it out there for those long-term planners).

Are You A Professional Willing to Give Some Time?

Contact Bro Dennis. There just might be a place we could use you.
